

## **NCC**

The National Cadet Corps (NCC) aims to develop character, discipline, and leadership in young people. The NCC also aims to create a pool of motivated and trained youth who can serve the nation in any career they choose.

### **Objectives of the NCC**

- **Develop character:** Develop qualities like courage, character, and discipline
- **Develop leadership:** Develop leadership qualities and the ability to provide leadership in all walks of life
- **Develop comradeship:** Develop a sense of comradeship among young people
- **Develop a secular outlook:** Develop a secular outlook among young people
- **Develop a spirit of adventure:** Develop a spirit of adventure among young people
- **Develop ideals of selfless service:** Develop ideals of selfless service among young people
- **Create a pool of trained youth:** Create a pool of trained, organized, and motivated youth
- **Motivate young people to join the armed forces:** Provide an environment that motivates young people to join the armed forces
